Re: FOIA Case No. NLRB-2022-000639

Dear Martin Korn (Golden Arrow Publishing LLC):

This is in final response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received in this Office on February 22, 2022, in which you seek a copy of the Charge in *Oracle America, Inc.*, Case No. 21-CA-290753.

We acknowledged your request on February 22, 2022.

NLRB Rules and Regulations state that if “a requester has previously failed to pay fees that have been charged in processing a request within 30 days of the date when the notification of fees was sent, the requester will be required to pay the entire amount of fees that are owed, . . . before the Agency will process a further information request.” Further, the administrative time limits for responding to all other pending requests with this Agency will begin to run only after the Agency has received the required fee payments. 29 C.F.R. § 102.117(d)(2)(vi)(B)

As you were advised by a member of my staff on March 3, 2022, our review of the Agency’s financial records showed that you had not paid your assessed fees with respect to previous FOIA responses. It was explained to you that because you had not paid the assessed fees to the Agency for NLRB-2021-001224, NLRB-2021-001431, and NLRB-2021-001432, no further search would be conducted, nor any records provided to you, regarding your above-referenced FOIA request, until those prior fees were paid in full. I have attached the invoices again for your convenience.

To date, the FOIA Branch has not received any payment from you. Therefore, your request has been closed. This administrative closure is not an adverse determination. If in the future you wish to obtain NLRB records, you must submit a new FOIA request that reasonably describes the records sought and includes an assumption of financial responsibility.

You may contact Lalitta Gillis, the FOIA Specialist who processed your request, at (202) 273-0101 or by email at Lalitta.Gillis@nrlb.gov, as well as the Agency’s FOIA Public Liaison, for any further assistance and/or to discuss any aspect of your request. The FOIA Public Liaison, in addition to the FOIA Specialist, can further explain responsive

and releasable agency records, suggest agency offices that may have responsive records, and/or discuss how to narrow the scope of a request in order to minimize fees and processing times. The contact information for the FOIA Public Liaison is:
